

# Mapping the Future of Sustainable Landscapes: Geospatial Innovations for People, Places, and Practices

## Programme Schedule

### DAY 1 – Geospatial Foundations for Inclusive Growth and Sustainability

Time	Session	Description
10:00 – 11:00	<b>Inaugural Ceremony</b>	Welcome Address, Lighting of Lamp, Keynote Speeches by Dignitaries
11:00 – 11:30	<b>Keynote I</b>	<i>"The Role of Earth Observation in Balanced Development"</i>
11:30-12:00	Tea/Coffee Break	Networking and Exhibition Walk (Inauguration)
12:00 – 1:30	<b>Technical Session 1:</b> <i>Mapping &amp; Measuring Socio-Economic and Environmental Indicators</i>	Presentations aligned with:- Earth observation for urban–rural balance- Ecosystem management (hilly/coastal/plains)- Global-to-local environmental mapping
1:30 – 2:30	Lunch Break Poster Presentations	
2:30-4:00	<b>Technical Session 2:</b> <i>Sustainable Tourism and Cultural Preservation</i>	Topics include:- Geospatial innovations for tourism- Mapping cultural heritage- Infrastructure & services planning
4:00 – 4:30	Tea Break Poster Presentations	
4:30-5:30	<b>Panel Discussion</b>	<i>"Geospatial Tools for Inclusive and Sustainable Landscapes"</i>
5:30 onwards	<b>Cultural Evening &amp; Gala Dinner</b>	Cultural showcase, dinner, and networking

# Mapping the Future of Sustainable Landscapes: Geospatial Innovations for People, Places, and Practices

## Programme Schedule

### 📅 DAY 2 – Capacity Building, Collaboration, and Future-Ready Geospatial Trends

Time	Session	Description
10:00 – 10:30	<b>Keynote II</b>	<i>"Future of Spatial Information Science: AI, IoT &amp; Big Data for SDGs"</i>
10:30 – 11:00	Tea/Coffee Break	
11:00-11:30	<b>Technical Session 3: <i>Spatial Education and Industry-Academia Collaboration</i></b>	Talks on:- Curriculum and capacity-building- Research and innovation models- Industry-academia success stories
11:30 – 1:00	<b>Technical Session 4: <i>Geospatial for Disaster Mitigation</i></b>	Topics:- Vulnerability assessment- Multi-hazard risk mapping- Decision support systems (DSS)
1:00 – 2:00	Lunch Break	Informal networking
2:00-3:30	<b>Technical Session 5: <i>Future Geospatial Trends for SDGs</i></b>	Talks on:- Innovative approaches to global challenges- Training future-ready professionals
3:30 – 4:30	<b>Panel Discussion</b>	
4:30-onwards	<b>High tea</b> <b>Optional Field Visit / Site Excursion</b>
